Ashoka University Co-hosts the World Health Summit Regional Meeting 2025

The World Health Summit (WHS) Regional Meeting 2025 was held from April 25 -27 at Bharat Mandapam, New Delhi - marking the first time this global platform being hosted in India. Ashoka University's Koita Centre for Digital Health at Ashoka (KCDH-A) co-hosted the event as a member of the WHS Academic Alliance. The summit drew a record-breaking registration of over 4,500 participants from over 54 countries, including more than 1,000 leading health experts, scientists, ministers, and policymakers. Held under the overarching theme "Scaling Access to Ensure Health Equity", the event explored innovative, inclusive, and sustainable pathways to achieving health for all. Ashoka's faculty members contributed actively across various panel discussions, bringing interdisciplinary insights and research-driven perspectives to the fore. Professor Anurag Agarwal, Head of KCDH-A, served moderator and speaker in several key sessions.
